

# SEA-TREK ENTERPRISES, INC.

## A trusted source for quality seafoods since 1985.

Since our founding, Sea-Trek Enterprises has established a national reputation as a trusted and reliable supplier of scallops, snow crab, shrimp and other seafood products. We are proud to have long-term partnerships with leading U.S. and international distributors, foodservice operators and retailers.

As the seafood business grows ever more global, Sea-Trek remains at the forefront by sourcing seafood worldwide from well-managed, sustainable fisheries that protect the future of seafood and our industry.

### THE SEA-TREK ADVANTAGE:

- Lean organization able to respond quickly in fast-changing, commodity markets.
- A reputation for integrity that has earned us the goodwill of customers and resource partners.
- We are a one-stop source for USDC-inspected and/or Grade A-certified commodity seafood products.
- Expertise in cost-effective, multi-species sourcing for mixed container, export shipments.
- Knowledge of and experience in shipping logistics for global markets.

*The friendship of the people we serve  
is the foundation of our success.*
